TRANSITION TALKS WORKSHOP

The discussions will focus on Transition Planning, Employment & Post-Secondary Education.

Regional Center of Orange County

1525 N. Tustin Ave
 Santa Ana, California 92705
 Thursday, March 28, 2019

6:30-8:30 PM

Please join us...

This transition topics workshop will create a welcoming environment for family members, individuals with disabilities and other interested participants. In this model, we will have approximately 7 room discussions to address transition related topics. Each room will accommodate a small group of approximately 25 people. This small room format allows for discussion and opportunities to ask questions. Local transition experts have agreed to participate as topic facilitators. Each workshop participant will have an opportunity to participate in (4) 25-minute discussions.

This format allows people to move between rooms to topics of interest to them. Discussions will feature best practices and up-to-date information in the field of transition planning, post-secondary education, independent living and employment.
